## The BFA Option

All BFA candidates must complete an additional 12 credits in the BFA Option. Students in the Graphic Design track must complete an internship along with their thesis level coursework to be awarded a BFA. Students in the Painting or Sculpture programs have the option to complete an internship but are not required. If you choose the internship option, only 6 credits may be used for BFA Thesis and Exhibit Production.

Completion of coursework does not automatically guarantee admittance into the program or attainment of the BFA. Applicants for the BFA must apply by:

- submitting their formal application no later than 12 full months before their projected graduation date,
- provide a professional level portfolio for review

If accepted into the program, granting of the BFA is dependent upon the completion of the following:

- completion of the additional thesis level coursework listed below,
- a professional faculty review of the body of work achieved by the student
