**Biology Major Requirements (General Biology Track)**

**(mrs 1208)**

- All students majoring in Biology need to complete a minimum of 24 credits of 300-400 level courses.
- Students are not required to complete a specific emphasis in Biology. Those not pursuing an emphasis, would be in the General Biology track by default.
- For students who are not in the Biomedical track and wish to pursue an advanced degree (MS, PhD, MD, DO, DDS, PA, PT etc.) we highly recommend the following courses: Organic Chemistry, Physics and Genetics in addition to other Biology courses as required by the graduate program of interest.

**Grade policy**

- To graduate with a major in Biology, a student cannot have a grade lower than C- in a core course and can only repeat\* up to three courses in the major.
- One repeat\* is allowed per major course. If after a repeat the grade is still lower than C-, a student will not be able to continue in the Biology major (for an exception, see 5).
- A repeat\* of a second major course would be permitted only with the authorization from the department chair.
- A repeat\* of a third major course would be permitted only with authorizations from the department chair and the dean.
- A student may have a D grade in one major elective course.

\* Repeat because of a grade lower than C-

**Emphasis/Track Requirements**

Students seeking to graduate with an emphasis in Biology must complete the emphasis requirements listed below, within the requirements for B.S. in Biology.

**Marine Biology – the following courses must be completed**

**(mrs 1210)**

BIOL 206/L	General Zoology/Lab	4	BIOL 113	S		/
BIOL 212/L	Marine Biology/Lab	4	BIOL 113	S		/
BIOL 222/L	Marine Microbiology/Lab	4	BIOL 112/L, CHEM 105/L	W		/
BIOL 376/L	Genetics/Lab	4	BIOL 113, CHEM 105/L	F,S		/
BIOL 412/L	Marine Ecology/Lab	4	BIOL 212/L, CHEM 105/L	S		/
OCEAN 201	Oceanography and Marine Science	3	A college-level natural science course	F,S		/

**Molecular and Cell Biology – the following courses must be completed**

**(mrs 1211)**

BIOL 220/L	Microbiology/Lab	4	BIOL 112/L, CHEM 105/L	F, W		/
BIOL 376/L	Genetics/Lab	4	BIOL 112/L, CHEM 105/L	F,S		/
BIOL 441/L	Molecular Biology/Lab	4	BIOL 112/L, CHEM 106/L (completion of BIOL 220 or 376 is strongly recommended)	W		/
BIOL 442/L	Cell Biology/Lab	4	BIOL 112/L, CHEM 106/L (completion of BIOL 376 is strongly recommended)	S		/
CHEM 351/L	Organic Chemistry I/Lab	4	CHEM 106/L	W		/
