

**BRIGHAM YOUNG UNIVERSITY-HAWAII**

**Biology Minor Requirements**

**2010**

Revised 8/10

**STUDENT:** \_\_\_\_\_ **ID#:** \_\_\_\_\_ **GRAD. DATE:** \_\_\_\_\_

Biology minor consists of 16 hours in Biological Sciences, including BIOL 112, CHEM 105/L (as part of Science Core), BIOL 265/L and any 2 APPROVED Biology Courses. Minor courses are selected with consultation with biological science faculty. (BIOL 100, 399R, 495R, or 496R cannot count toward fulfilling the Biology minor.)

| <b>COURSE#</b> | <b>CR</b> | <b>DESCRIPTION</b>                    | <b>PREREQ.</b>          | <b>TAUGHT</b> | <b>TAKEN</b> | <b>GRADE</b> |
|----------------|-----------|---------------------------------------|-------------------------|---------------|--------------|--------------|
| BIOL 112       | 3         | General Biology<br>(Science Majors)   | none                    | F, W          |              |              |
| BIOL 265/L     | 4         | Molecular & Cellular<br>Biology / Lab | BIOL 112,<br>CHEM 101/5 | F, W          |              |              |
| CHEM 105/L     | 4         | General Chemistry / Lab               | MATH 110                | F, W          |              |              |
| BIOL _____     | 4         |                                       |                         |               |              |              |
| BIOL _____     | 4         |                                       |                         |               |              |              |

**No credit below C- is allowed in Biology Minor requirements.**
